Analysis Report of Feedback on Curriculum
Collected from Different Stakeholders
Academic Year: 2024-2025

1. Students Feedback:

Students are one of the most important stakeholders of Higher Education systems. Awareness and participation of students at all levels in both internal and external quality assurance play a central role. The college collected feedback on syllabus from students through online and offline modes in the academic year 2024-25. A special 03 Point Scale Feedback Form on the curriculum is prepared to collect feedback. 503 students of UG and PG level programmes registered their feedback on the curriculum designed by the University of Mumbai of their respective courses.
